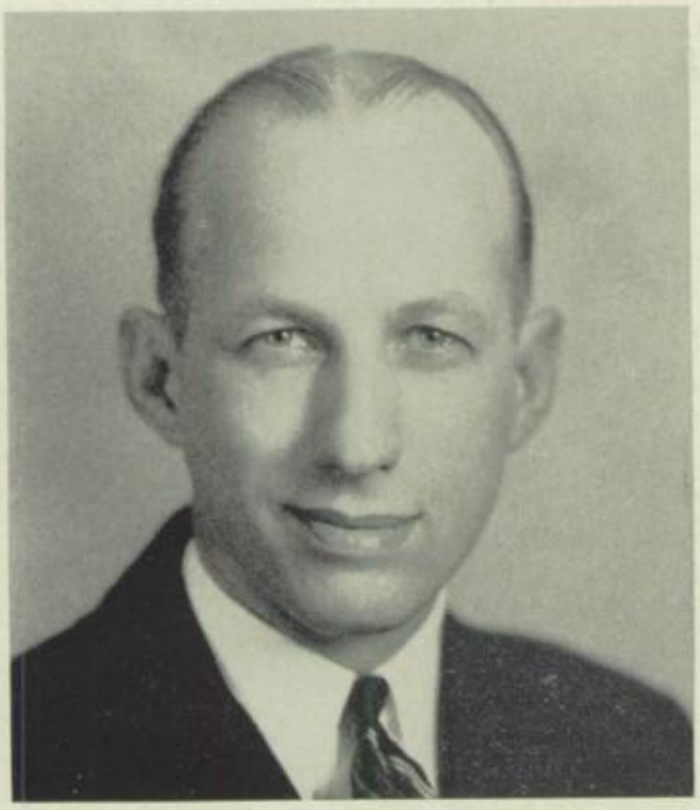
"PRODUCER"



R. A. STRAUSSER, SUPERINTENDENT

Better than any other medium, drama interprets life. The production you are about to witness is the culmination of a twelve act play on the stage of the Louisville Public School.

As act after act of this final drama unfolds before you, displaying the progress and achievement of the past year, "YOU," now of the audience, will reminisce in the Mirror's reflections. As the velvet curtains slowly draw to a close, you will be made to realize that four of the allotted three score and ten years have passed. These are perhaps the only years in which you are on the inside looking out, as did Scrooge, at the past, present, and the world that is to come.

However, your roles as actors do not end here. When you leave this practice stage and advance to the legitimate one of life, you will find that the world, in the words of Frances Cushman, "is peopled with living beings and that is the grand divine eternal Drama."

—R. A. Strausser.

"ASSISTANT PRODUCER"

H. E. WILSON, PRINCIPAL

This play of the 1942 Mirror has been a most difficult one to produce due mainly to world conditions.

It has been my duty to inform the students, why, when, and where they are to enter the many scenes and acts during this gigantic production. This is not an easy task because of students who do not wish to cooperate, parents' attitude, industrial opportunities, Dan Cupid, and irregular attendance; but, by diligent hard work we were able to overcome these obstacles and to train new characters to take the place of those on whom we could not depend.

The old saying, "The show must go on," is our one aim in the production of this play.

—H. E. Wilson.

SENIOR DAY

Wednesday, February 11, 1942, the Senior Class sponsored the first Senior Day in the history of Louisville High School. This project was introduced by the American government classes.

The original plan was drawn up by a committee headed by James Ritchie, chairman, Mary Mehl, secretary, assisted by Donald Skelley, William Hoover, Bruce Bixler, Claire Cole, and Herbert Kropf with Beatrice Nees and Eleanor Bishop as publicity agents. This committee chose the Board of Election, who in turn, sponsored the election of the Board of Education. The members elected to serve on the Board of Education were Lillian Bankovich, Pres., Claire Cole, Vice-Pres., Melvin Allison, Clerk, Arthur Metzger, and James Ritchie. The Board then proceeded to select the two superintendents, Bruce Bixler and William Hoover; principals, Donald Skelley and Nevin Kandel; secretaries, Mary Mehl and LaVera Lininger. These students alternated between morning and afternoon classes. The custodians, the librarians, and the teachers were also chosen.

The purpose of this project was to give the students experience in election methods, and also to acquire responsibility in running an important part of the community.

The Seniors were very successful and they received the co-operation of the entire student body and faculty.

Mr. Strausser congratulated the Seniors on their splendid supervision of the day when the students assembled for the Senior Assembly program, ending "Senior Day."

"BENEFITS"

SENIOR PLAY

In keeping with the school's tradition of a light comedy for the junior class production and a heavier more serious play for the senior offering, the class of 1942 chose Emlyn William's murder thriller, "Night Must Fall," for their annual offering Friday, May 8.

The story is briefly this: Dan is a bell hop in a resort hotel remotely located in Essex, England. Having taken quite a fancy to Dora Parkol, maid at Mrs. Bramson's, Dan finds his way to the Bramson home. Such is the charm that Mrs. Bramson is immediately taken with him, adding him to her household servants.

The murder of a guest of the hotel is traced to Dan by Olivia, an unhappy niece of Mrs. Bramson, who elects to shield the boy. Dan, grateful but powerless in the grip of his homicidal instincts, plots the murder of Mrs. Bramson for her money. The police take him away to be hanged, leaving Olivia relieved but desolate.

JUNIOR PLAY

Penny Wood experienced her first love when her young Uncle Mervin brought home a cosmopolitan college friend, Roger Van Vleck, a boy whose singing and "worldly air" won her heart, but drove her doctor father into retreat. However, Julie Harris, the glamorous sister of Penny's pal, Chuck steals Roger's heart leaving Mervin, who adores Julie, in the lurch. On the night of a welcome home party for Mervin, Penny appears dressed in a red strapless evening gown. After being ridiculed because of her appearance, she declares that life for her is ruined. Chuck, on that night attempts to fly his glider, which his father has threatened to destroy. A great tragedy threatens him, but by skillful control of his plane, he is able to land without too much damage to himself.

Penny snaps out of her madness and all live happily ever after.

This play, the first light comedy to be produced here in recent years, was a great success.

"Light Opera"
Chorus

One hundred and twenty-five members of the vocal groups of Louisville presented the operetta "Crocodile Island" November 7, 1941. The scene was laid in a tropical atmosphere of beautiful native girls. The snappy dance routines, the colorful setting of a distant southern isle, and the outstanding ability of the cast lent a decidedly professional appearance to the entire performance.

The action centers around the attempt of Coco Orinoco to gain the kingdom of King Bongazoola. Claiming to have received a revelation from the oracle, Coco impresses upon the superstitious natives the need to sacrifice their king to the oracle. Finally, when things look particularly bad for King Bongazoola, a shipload of tourists arrive on the island. Tom and Jeff, two of the tourists, hearing of the plot against the king conceive of a plan to save him. The king rewards them by bestowing the hands of his two lovely daughters to them.

SEPTEMBER

THE 1941 SUMMER VACATION slipped by almost too rapidly bringing an end to our moments, nay, hours, of carefree laziness, of happy moonlight strolls, of love letters in the sand, as September's shifting winds and skies heralded the

FIRST DAY OF SCHOOL. So with brightly beaming countenances and newly sharpened pencils, we entered the portals of the Alma Mater once more to continue our pursuit of knowledge, this time under the direction of

EIGHT NEW TEACHERS who had been added to the faculty, plus the old ones who had escaped either matrimony or the draft. The social whirl was begun with the

SEVENTH AND EIGHTH GRADE PARTY which was held in the gymnasium where games were played, refreshments served, and a good time had by all. Attention was later diverted from lessons of "Beowulf", "Virgil," and the like, by the advent of the

FIRST FOOTBALL GAME of the season with St. Johns on the Lehman field where Louisville trounced the opponents to bring home a 14-0 victory. That evening the

FRESHMEN AND SOPHOMORES assembled in the auditorium for a joint party where many hearts were merry. Then back to the routine of classes and study halls which was soon punctuated again, this time with those twin events,

FOOTBALL AT COLUMBIANA — the first Tri-County league game — wherein the Raiders made history by establishing a new Tri-County league scoring record, 73-0, and the

JUNIOR CLASS PARTY featuring a hay ride which was attended by even Mr. Moffett in spite of his allergies. And while he sneezed from the hay that tickled his nostrils, we tore off another page from the calendar and looked to the fulfillment of the many promises of the month of

OCTOBER

THUS TIME MARCHED ON and slipped for awhile on a muddy and sloppy Sebring field where fans, undismayed by a downpour of rain, had gathered to witness the struggle between the

SEBRING AND LOUISVILLE elevens in a night game. The final score, 18-6, gave the Raider's their second Tri-County League win. The universal hilarity which prevailed following this victory was dimmed a few days later when a catastrophe occurred in room 308, resulting in a gloom that permeated the entire building. Miss Ulicny's pet nag,

CAESAR, DIED from, as some worthy historian ablely stated, "fallen arches and a broken heart." This atmosphere was lifted soon, however, by Miss Close, who surprised the vocal classes with

NEW DRAPERIES IN THE MUSIC ROOM which added much to her domain and encouraged each lusty voice to come and sing as the birdies sing. But the floral beauty of the draperies could not lessen our ever present enthusiastic and interested following of the football eleven. So when time brought to the fore the

FIRST HOME GAME of the season with the Louisville Raiders meeting their old rival North Canton, we were present to witness the breath-taking struggle, to cheer our team on to the 7-6 finish. Yes, another Blue and White victory. Then, completely reversing the existing social order, (with no apologies to Emily Post), the seniors sponsored

A BREAK-AWAY PARTY, including a large feed, where all boys were girls and all girls were boys, with orchids going to the Misses Bill Hoover, Don Skelley, and Clarence Blasier. Monday morning brought school and just a short time to wait for the "Big" day of the football season with

QUEEN VELMA DIMMERLING and her attendants holding court during the festivities. However, the rain "reigned" instead at this Boardman game which turned out to be a momentous one with Bob Kintner saving the day when he sent a perfect placement through the uprights to gain the only 3 points of the score, and to merit for himself the title, "The Boy With

THE MILLION DOLLAR TOE." After the game it was a rush home for quick suppers, hot baths, and our "Sunday Best" in which to make our appearance at the

HI-Y DANCE given in honor of Queen Dimmerling and her court. The music was soft; the lights were low. Say, brother, didn't you go? Ah, it was difficult indeed after that glorious week-end to get back to the swing of textbooks and such. The seniors took time out to have their

PICTURES TAKEN AND RE-TAKEN, and Sam Mustacchio and Herby Kropf to present to the English literature class their version of

AN OLD ENGLISH LYRIC, the "Chatanooga Choo-Choo." But our pasts caught up with us on the issuing of

Calendar

REPORT CARDS when we were fully made to realize that perhaps teacher does know best. So, even while witnessing the 27-0 **LOUISVILLE TRIUMPH OVER LISBON,** we firmly resolved to change those "D's" to "B's" as surely as the month changed to

NOVEMBER

THE NEW MONTH was ushered in with the league-leading Raiders entertaining the erratic Wildcats of Canton Township on our own gridiron. Under clear skies at last, the Football Queen saw Louisville defeat the visitors 45-0. That week also found us assembled before the velvet curtains of the auditorium, listening to the lithe musical strains of the operetta, **"CROCODILE ISLAND,"** and hearing the soft swish-swash of the natives' grass skirts . . . oh, la, la! From this ecstatic atmosphere the seniors were recalled to take **THE OHIO STATE PSYCHOLOGICAL TESTS** which dated their awareness of a feebleness in the mind. The rest of us gave ourselves completely to thoughts of another peaceful **ARMISTICE DAY** and its annual celebration, THE MINERVA GAME. The biggest of the year, it was made more exciting with a 7-6 score, with honors of the day going again to Kintner who successfully placed for the extra point. And again a celebration was in order. This time in the form of a **GIRL RESERVE THANKSGIVING DANCE** and party in honor of the Hi-Y boys. Eight down—one to go. That was the status quo as the Blue Raiders met East Palestine in their final game of the season. They met, they won, they clinched the **TRI-COUNTY CHAMPIONSHIP,** completing a nine game schedule without a defeat or a tie. Blackouts, in the form of "lightless parties" were the order of the day when **JUNIE KROPF AND CAROLYN DUDLEY** entertained respectively in celebration of the championship. Next in line was the **COUNTY HI-Y DANCE** and splash party at which time the Louisville students forgot themselves for an evening and became live-wire jitterbugs. Thus, already in the groove, we took the **THANKSGIVING VACATION** in our stride and returned to the "four walls" with two basketball victories and ready for

DECEMBER

VACATION started us off with the teachers goin' a-visiting and making today Monday when it's really Tuesday. Modern educational practices were instilled in L. H. S. with Miss Neff teaching Kenny Voltz and Juanita Kandel **THE FINE ART OF KISSING.** When students flocked to enroll for the course, they learned that it was limited to Junior Play cast members. Continuing along the progressive vein, the American democracy classes conducted a **MOCK STATE LEGISLATURE** with Ritchie and Bixler acting as co-governors and the students divided up into the Senate and House of Representatives. Time moved along and then one day everyone was made conscious of the size of his mouth when **JOE E. BROWN.** with the extra largeness of his, hit Louisville in "The Gladiator," sponsored by the Science Club. Levities such as the above were dispensed with and time seemed to stand still for awhile, as, gathered in a body, we heard President Roosevelt **DECLARE WAR AGAINST JAPAN** on the eighth day of December. But the show must go on and thus **"JUNE MAD"** was presented to a capacity audience that went "mad" over Juanita Kandel and Kenny Voltz who passed the "finals" of their special course with flying colors. A name was added to the Louisville Hall of Fame in the person of Sam Mustacchio who was unanimously voted **THE STRONGEST BOY IN SCHOOL** in answer to the request of Mr. Jones in the gyroscope assembly. To the Hall of Oblivion was added the name of Herbert Kropf after he fell asleep in literature class. It wasn't due to the teacher, nor the subject, but to the fact that his car broke down the night before and Mrs. Kropf saw her son wandering home in time for breakfast. But even Herbie woke up on that gala day when the **TRI-COUNTY CHAMPIONSHIP TROPHY** was presented to the student body in a special assembly program. At the same time Bob Kintner was recognized as the **MOST VALUABLE PLAYER** and was presented with such a trophy. Thoughts reverted once more to parties and the Spotlight Staff held theirs, limited to members only. Then followed a few more days until the Christmas Assembly and home we went for **THE CHRISTMAS HOLIDAYS** which were high-lighted with sleep and rest (?), gifts, food and more food, and at long last **THE ALUMNI DANCE.** With a quick change of calendars, the old gave way to the new and we welcomed 1942 in its infantile form of

Calendar

JANUARY

SLEEPY HANG-OVERS predominated in classrooms and corridors when we returned to the fold to carry-on in the last lap. Rumor has it that as Mary Mehl stumbled down the hall, some sophomore (who for the first time had seen the New Year in) cried out, "Oh, look! Father Time!" Along with the resolutions that were made, the

HONOR GIRLS MADE AN IMPROVEMENT on the Girl Reserve meetings by giving them a more religious atmosphere during the devotionals, and stressing the girls' obligations as members of the club by reading the code, purpose, and pledge each time the organization met. The Hi-Y conducted a Search for Talent Show and found talent personsified in the form of

BILLY BAUGHMAN, DRUMMER BOY. Again classes were shortened and time was given to

DELORES who thrilled the student body in another paid assembly. Who wouldn't pay to have a pretty Senorita sing and smile at him alone? All alone, Clarence? . . . Time Marches On! Time marched on and brought forth the

SEMESTER EXAMS. Silence is golden. Therefore,

FEBRUARY

THE SECOND MONTH found us grown up fast and ready to take over the run of the school. We began by electing a

BOARD OF EDUCATION. To them the seniors applied for the various positions. While the Board met and discussed the qualifications of the applicants, new laurels were brought home by the eight members of the

SPELLING TEAM who downed Canton Township in a match conducted over WHBC. Entertainment was furnished us by the

"KILTY TRUMPETEERS" who appeared in a paid assembly program playing a very difficult encore — backwards! The band, all this time had been cleaning their horns and polishing their brass, and now came out with their effective rendition of

"I'VE BEEN WORKING ON THE RAILROAD." In that mood the Seniors took over the administration and instruction of the Louisville High School for a day—

SENIOR DAY—which proved to be so effective the teachers began to wonder if it had been wise to let us know that we could get along without them very well. Superstitiously, we began to wonder about

FRIDAY, THE 13TH and the Columbiana basketball game — but all that was foolhardy 'cause the Raiders "shone that night" and slated another victory. Then two hearts began to beat in three quarter time and sweethearts on parade trotted to the

DAN CUPID DANCE, sponsored by the Girl Reserves, where the atmosphere was mellowed by a mixture of your heart and mine. From the lighter vein to the heavy—so to Canton where all county seniors gathered to hear

E. STANLEY JONES. Still for Seniors only, measurements were taken for caps and gowns when it was discovered that the tallest of us measures six feet, two inches and the shortest five feet. We next recalled the words of Robert Browning, "One fight more, the best and the last," as we gathered for the final basketball game of the season,

LOUISVILLE VS. LISBON, wherein the boys displayed again the stuff that makes real athletes and conquered the

TRI-COUNTY CHAMPIONSHIP IN BASKETBALL. This gave Louisville the distinction of being the third school in the League ever to win two championships in one year. Thus our song became

WE'RE FROM LOUISVILLE, WE COULD NOT BE PROUDER as we joined in the fun of the party sponsored by the musical organizations, with

MUSIC THROUGHOUT THE YEAR for their theme. It was fun, and did we eat! The next night the Freshmen gathered in the gymnasium for their

CLASS PARTY where they danced and brought to a close the month's activities, leaving us wide open for

MARCH

THE MONTH OF FLYING SKIRTS AND LOST HATS. Three days later Old Man Winter greeted us with a blinding snow storm and labors and studies ceased for a day. But a thing like the weather doesn't stop LHS students and three busses journeyed to the

BASKETBALL TOURNAMENT at Youngstown. However, as fun can't go on forever without a blot, one bus marred the joy of the evening with a breakdown 'til the end of the game when we all cheerfully recovered with a win over E. Palestine. The next evening the

SOPHOMORE CLASS met in the auditorium for their annual semester party. The Junior Class, taking advantage of the snow

Calendar

storm and also trying to outdo the Sophomores, had for their
CLASS PARTY a snow theme. There wasn't a flake of snow that night! After a week-end of parties we still were not tired so we all went to the
JOINT G.R.-HI-Y COUNTY CONFERENCE which was held in L. H. S. auditorium. The Seniors had a delightful surprise when they saw at the
SENIOR PARTY Mrs. H. H. Shugert, the former Miss Caroline Roush, who was their class sponsor. On the same day our debate team brought home the
DEBATE CHAMPIONSHIP for the fourth consecutive year. Much to the pleasure of the students the periods were shortened and the
JR. HI-Y PRESENTED AN ASSEMBLY in which they "doubled" for some of our teachers. Then came the long awaited
BASKETBALL BANQUET sponsored by the Leaders club. After all this hilarity we came to the realization that Easter was not far off so we all went to the
VESPER SERVICE which was presented by the Mixed Chorus, Grade Choir, and the Orchestra. This paved the way for Easter and the month of

APRIL

"April, April
Laugh thy girlish laughter;
Then the moment after
Shed thy girlish tears!"
THUS CAME UPON us the month of showers, and, as we shook our umbrellas and raincoats free from dust and moth balls, we made ready for the eighth month of school. The first week-end found us celebrating
EASTER SUNDAY which proved to be a very lovely one this year. Many were the corsages that lived to see another day on the proud shoulders of school sweaters and blouses. As the flowers faded and wilted, our spirits did too until
"K-K-KATIE" O'HARA entered our midst, via the paid assembly route and, with many clever parodies of songs old and new, called forth from us our ever-ready laughter. That same evening, they of the
SECOND SEMESTER SPOTLIGHT STAFF met for a covered dish supper in the Home Economics rooms to once more test their abdominal capacity. Later a week of regular routine work was followed with the presentation of the
BASKETBALL TROPHY done in a manner of reminiscence. That gala day was climaxed in the evening with the annual
OPEN HOUSE event, this year highlighted by the presentation of a colorful pageant, "The Court of Knowledge" given in the auditorium by the students of the entire school. Thus it was that we tucked behind us another month and looked, not without some regret, to

MAY

WHICH, IN THE WORDS of Robert Browning, proved to be "one fight more, the best and the last." With mixed emotions we turned to the many features of this final lap and the evening of the first day found us assembled to witness the
MUSIC FESTIVAL, an annual event, but this year quite extraordinary. Then five days of school prefaced that much talked of dramatic vehicle,
"NIGHT MUST FALL" presented May 8 by the Senior class Thespians. After that there were only a few days for the G. R.'s to wait for their big event of the year, the
MOTHER-DAUGHTER BANQUET, held in the Reformed Church. It was a lovely affair, daughters plus mothers. However, the following week the maternal element was lacking when third and fourth year students forgot all problems of the art of learning in the major celebration of the season—amid the crash of brass and crooning string—the
JUNIOR-SENIOR BANQUET and dance held at the Odd Fellows Temple in Canton. Monday morning brought school and a week's cramming. All dates were off as we entered the stretch of finals which called us out Tuesday and Wednesday with
ONE HOUR EXAMS leading off for the finish. Yet a few more days and we joined in the celebration of those twin events, the high school May Day,
"THE QUEEN'S TRIUMPH," which included the crowning of a May Queen and a number of interpretative dances, and that splendid festivity, the
SWEETHEART DANCE, sponsored by the Senior Hi-Y. May 24 brought the annual preview, the BACCALAUREATE ceremony in the high school auditorium, heralding the real thing on May 29 when
COMMENCEMENT EXERCISES launched some 140 self-conscious flat hats and presented us blase seniors to the world. The year's social whirl culminated in a
COMBINED PICNIC at Meyers Lake. After that it was a pat on the back and a shake of the hand as students, teachers, and friends said their fond farewells and each took to the open road.

William Hoover

'42 End — All Tri-County — Honorable Mention All Ohio.

"Bill" was the only veteran end on the squad. He was a tough defensive end with very few yards being gained through him; in fact, the teams that tried his end generally came out on the losing end. His vacancy will be hard to fill.

Delbert Royer

'43 Tackle — Third Team. All Tri-County

"Fat" was truly the heaviest man on the squad and his two hundred and fifty pounds was hard to move out of any play.

Robert Rosia

'42 Guard — Third Team. All Tri-County

"Shifter" was the smallest man on the varsity but did plenty of work in the opponents' backfield. His experience will be hard to match next year.

Donald Upperman

'42 End

"Stoney's" first year as a varsity player was filled with success. He was a hard tackler, a good blocker and a tough pass snatcher. He was a hard fighter who will surely be missed.

Robert Kintner

'42 Backfield — Second Team Tri-County — Honorable Mention, All-Ohio, Honorable Mention, All-County.

"Bob" led the team in scoring and his drives through the center of the line were hard to stop. His place kicking won three of the toughest games for the Raiders.

Herbert Kropf

'42 End

"Herb" was a hard worker and made a good impression this year. He is another senior who will really be missed.

Arthur Metzger

'42 Backfield

"Art" was a blocking back and was one of the reasons for Louisville's high-powered offense. His work will be missed very much next year.

James Callan

'42 Backfield — All Tri-County — Third Team, All County

"Jim" was the trickiest runner on the Louisville team and the most consistent ground gainer. His passing was high above the average and was the main cog in the Raider's aerial attack.

Norman Cunningham

'43 Guard

"Peck" attained his goal of keeping Fairhope players in our school and shows promise for next year.

Robert Bresson

'42 Backfield

"Bago" was a hard tackler and a real linebacker. His punting pulled Louisville out of many a hole and set the opponents back near their own goal many times.

Kenneth Gulling

'42 Backfield

"Kenny" was the fastest man on the squad and many times after breaking through the line, he outran many of the defensive players. His speed will be hard to equal next year.

Donald Skelley

'42 Backfield — Second Team, All Tri-County

"Don" was the field general and did a remarkable job. Although he seldom called his own signal, he could be counted on to pick up yards when the team needed them. He was elected captain by the lettermen as payment for his fine work.

Bruce Bixler

'42 Center — Third Team, All Tri-County

"Deacon" was the tallest man on the squad and could really reach out and pull down a runner. His shoes will really be hard to fill.

Donald McIntee

'43 Center

"Rip" played end and center and did a good job at both positions. Next year he should be a main cog in the team.

Henry Dalsky

'43 Guard

"Doggy" when given his chance, showed that he could be counted on to uphold the team's standards next year.

Thomas Zwick

'44 Tackle

"Tom" improved as the season progressed and with two more years to play, he appears to be headed for higher laurels.

Richard Paquelet

'43 Tackle

"Richy" was a strong defensive player and next year should develop into an all-around player.

Herman Miller

'42 Guard — All Tri County — Third Team, All County

"Ham" was a running guard who could really clear the way. Not only will he be missed as a blocker, but also as a defensive player.

Samuel Mustacchio

'42 Tackle — All Tri-County

"Sam" could be counted on to give his all for a victory. He was one of the reasons why opponents could score only eighteen points on the Raiders.

UNDEFEATED

Record of the Champs

Louisville's first win of its long string of victories was with St. Johns whom they downed 14-0 with Bob Kintner's tallying all 14 points.

Their first Tri-County League victory came the following week when they swamped Columbiana in a 73-0 field day. Kintner and Callan each scored four touchdowns, Metzger two, and Gulling one as the Raiders established a new Tri-County League scoring record.

The future champs travelled to Sebring the following Friday night where they outplayed the Sebring Trojans 18-6 on a waterlogged field. The duel was the Raiders' second Tri-County victory.

In their first home game the Raiders defeated a capable North Canton team 7-6. Callan scored the touchdown and Kintner kicked the winning point.

Boardman was next, and the Raiders kept their winning streak intact when Kintner's educated toe scored a perfect field goal from the ten yard line. The victory was the Raiders' third loop win and disposed of one of the toughest teams on their schedule.

Travelling to Lisbon, the Raiders annexed another league victory 27-0 with Skelley scoring three of the touchdowns.

The unbeaten, untied Raiders smashed the Canton Township Wildcats 45-0 on the gridiron with the backs running superbly and the linemen exhibiting fine blocking and an alert defense.

Louisville won their eighth straight in their traditional rivalry with Minerva. The score was 7-6 with Hoover's touchdown and another of Kintner's extra points deciding the battle. The line's job in stopping Minerva's backfield was very commendable and showed good coaching by Mr. Ashbaugh and Mr. Miller.

The Blue Raiders clinched their string of victories and closed the season by handing East Palestine an 18-0 defeat.

Jim Violand

"42" Forward—Honorable Mention All-Ohio — First Team All-Tri-County

"Jim" was one of the smallest and fastest boys on the squad. His accuracy in shooting placed him among the top scorers in the county.

Donald McIntee

"43" Forward

"Don" is a junior who improved with each game. His height was a big asset to the Raiders and should prove equally as valuable next year.

Bill Hoover

"42" Guard — Honorable Mention All-Ohio — Second Team All-Tri-County

"Bill" always gathered his share of the points by his deceptiveness and was a big help around the backboard.

Thomas Moulin

"43" Forward

"Tom" was small but made up for his stature in his shooting and ball handling ability.

Bruce Bixler

"42" Center — Honorable Mention All-Ohio — Second Team All-Tri-County

"Bruce" used his height to a great advantage around the backboard and was one of the leading scorers in the county.

Herman Miller

"42" Forward

"Hermie" was not a starter either but proved very valuable with his shooting ability.

Don Skelley

"42" Guard. Honorable Mention All-Tri-County

"Don" was the steadiest defensive player and was usually assigned the task of guarding the "opposing high scorer" and performed very commendably.

Robert Bresson

"42" Guard

"Bob," although not a starter, was a good man around the backboard and was a good scrapper.

SEASON'S RECORD

With six senior lettermen returning, the outlook at the beginning of the season was very bright. About forty candidates reported for the first practice, but later the squads were reduced to ten on the reserve and ten on the varsity.

Living up to expectation, the Raiders brought home the most successful season in the history of Louisville High. Not only did they win fourteen out of sixteen encounters, but also they copped the Tri-County League cage championship for the second loop championship this year.

The Raiders started out by winning over Marlboro 28-17, and the next week they topped Jackson Township 32-27.

The third game was with their traditional rival, Minerva. The Raiders' accuracy and superior ball handling dealt Minerva its first cage defeat by Louisville in five years.

Louisville had little trouble in subduing Malvern 47-25, but met stronger opposition when they played host to Brewster and downed them 51-41.

The first league game was with Boardman, a rangy team, and the Raiders were forced to come forward to take their first loop game 31-25.

Louisville entertained Sebring in the second league game and although the team was not in its usual stride, they managed to outscore Sebring 28-26.

Louisville's first setback came at the hands of St. Johns 34-25.

In a return engagement with Brewster, Louisville compensated for their loss of the previous week. Louisville played superb ball to win over the Railroaders 43-18. In the tenth game the Raiders hit the highest offensive mark of the year in beating East Canton 78-25.

In the league game with Minerva, the "champs-to-be" completely outclassed their rival and inflicted a sound trouncing of 47-27.

Louisville's second loss was to North Canton 40-30.

In their fourth league game, Louisville met a very capable East Palestine quintet and barely edged them 27-26.

In one of the fastest games of the season, the Raiders outfought a scrappy Canton Township quintet to the tune of 42-41.

As Louisville and Columbiana clashed, both teams were undefeated in the league race and the outcome of the loop depended on the winner. Louisville erased all doubt of the outcome after the first half and went on to win 46-22.

In their last duel of the season, Louisville completely outclassed Lisbon 44-22 to capture the Tri-County League title with six straight wins to end a successful season with 14 wins and only two losses.

GIRLS' PHYSICAL EDUCATION

Girls Physical Education classes are no bore at Louisville. Every girl knows what to do and how to do it. In classes, meeting twice a week under the direction of Miss McPherson, the girls play soccer, volleyball, basketball, baseball, and do square and round dancing.

Two tournaments were held this year. One in volleyball and another in basketball. Enthusiasm and pep prevailed at both.

Besides just class work, a play day was introduced to Louisville girls. With a gathering of girls from all over the county at Sebring, technique of basketball was at its highest.

May Day was another outside activity and proved to be very colorful.

"SPEEDBALLS"

TRACK

Last season the track team, led by Joe Quilter, succeeded in winning three of their duel meets and in taking a second place in the county meet.

Another accomplishment of last season's team was the sending of two boys, Kenneth Gulling and Joe Quilter, to compete in the state meet.

The lettermen who answered the call at the beginning of the season were Henry Dalsky, Arthur Fockler, Kenneth Gulling, Paul Rebillot, Paul Samblanet, James Ritchie, Bruce Bixler, Tom Kautsch, and Russell Leslie.

Although this year's team missed Quilter's services, their season can be considered as very successful.

BASEBALL

Prospects for another fine season were rather bright, the shortage of capable "hurlers" being the main problem that confronted Coach Miller.

The eight returning lettermen included William Hoover, Donald Skelley, and Robert Kintner, infielders; along with Herman Miller and Sam Mustacchio, outfielders. Herbert Kropf and James Lamielle were the mainstays of the pitching staff, while Arthur Metzger took care of the catching assignment.

Plans for the schedule called for games with most of the teams that were played the previous year.

Maid—"Don't worry, Ma'am, I never talk much."

Little Nancy was taking her first piano lesson. After discovering the pedals, she solemnly asked, "When do I put on the brakes?"

Mr. Hostetler—"Now, we have heard about the duties of the senators. Russ, you may tell of the duties of the chaplain. What is his special work?"

Russ Holdren—"The chaplain looks the senators over and then prays for the country."

Seaman, third enlistment — "Sea-sick, buddy?"

Prisoners—"Open house!"

Mr. Patton—"The more I look at you, dear, the more beautiful you seem."

Mrs. Patton—"Yes, Hubby, yes, — I must look at you more often."

Miss Warstler—"What is the meaning of "alter ego?"

Norma Bircher—"It means 'other I'."

Miss Warstler—"Can you give me an example of its use?"

Norma Bircher—"He winked his alter ego."

Miss Hawke—"How would you puncuate this sentence? 'The wind blew a ten-dollar bill around the corner'."

Charles Leuenberger — "I would make a dash after the bill."

"Mother!" cried little John as he rushed into the farmhouse they were visiting, "Mary Jane wants the listerine. She just caught the cutest little black and white animal and she thinks it's got halitosis."

Speaker—"I have lived in this town all my life. By actual count there are fifty-five tap rooms and saloons in the town, and I am proud to say I have never been in one of them."

Voice—"Which one was that?"

Newly-Married—"I've been looking for my husband for two hours."

Old Maid—"That's nothing. I've been looking for mine for twenty years and haven't found him yet."

Ruth Rice—"My, what a large skating rink you have!"

Instructor—"Yes, indeed, it has a seating capacity of five thousand."
